

ODFlex 4U

**Part no.**

11400640-11400645

The **ODFlex** 19" 4U is delivered with a retractable front drawer and removable lid, simplifying the insertion of fibers and cleaning of connectors. The box comes with a front panel for SCD, SCE, and LCQ connector types, and the front panel is clearly numbered with arrows for easier contact orientation.

It is delivered with combs for fiber protection sleeves and pre-installed fiber holders for the fiber loop or prepared for the use of cassette solutions. Cable connection and strain relief can be managed from the right or left side at the rear of the ODF. There are attachment points for fan-out and splitter sleeves at the rear of the retractable fiber box. The fiber box is equipped with a mechanical protection stop outward but can also be easily lifted out of the base box upwards.

Capacity: Up to 384 fibers

Installation: Cabinet or rack mounting, 19" bracket integrated into the product.

Dimensions:

- Height unit: 4U
- Width unit: 19"
- Depth: 311.5 mm with protective cover.

Material: Powder-coated steel sheet, contact field in stainless steel.

Color code: RAL 9010 gloss.

**Multicassette not included*
