

ODFlex 1U

Artikel nummer 11400600

Artikelnummer

11400590-11400608

ODFlex 19" 1U comes with retractable front panel and detachable cover, which simplifies inserting fibers and cleaning contacts. The Panel is available with contact panels for type SC, SCD and LCQ, the front panel is clearly numbered with arrows for easier contact orientation.

Supplied with holders for fiber protective sleeves and with pre-assembled fiber holders for the fiber loop, OR prepared for cassette solution.*
Connection and unloading of cable from the right or left at the rear edge of the ODF.

Attachment points for Fan-out sleeves and splitter sleeves are located at the rear edge of the retractable fiber box.

The fiber box is provided with a mechanical protective stop outwards but can also be easily lifted out upwards.

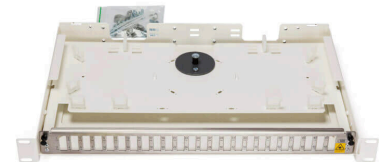

Capacity: Up to 96f

Mounting: Cabinet or rack mounting, console for 19" integrated into the product.

Dimensions Height unit: 1U

Width unit: 19"

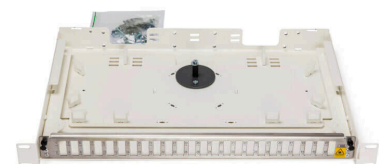

Depth: 312mm with protective cover.
