

Splice protector SLIM 45 mm

Part no.

11218347

- Single holed (preshrunk) ends eliminate improper fibre threading
- Single fiber and ribbon fibre splice protector available
- Smooth, deburred stainless steel reinforcing member ends decrease the risk of fibre damage during installation
- Suitable for use with all fusion splicers
- Extended liner length prevents contact between the fibre and the backbone
- Clear sleeve design permits easy centering of splice before heating
- Shrink ratio: 3:1
- Continuous operating temperature: -40°C to 70°C
- Shrink temperature: 90°C

Standards

- GR-1380 compliant
- Bellcore SR-4301 Level 2
